Established in 2003, Veteran Engineering and Technology, LLC (VET) is an SBA VetCert-certified SDVOSB delivering Information Technology Systems, Systems Engineering, and Technical Management support across DoD, federal civilian, and NASA customers. VET brings 23 years of documented federal performance, a security-cleared facility, dual ISO certification, and DCAA-approved accounting — with seven active contract vehicles, three joint ventures, and an SBA mentor-protégé relationship to scale for complex requirements.

WHY VET

- 23 years of continuous federal delivery — not a startup
- Security-cleared facility — cleared personnel ready
- ISO 9001:2015 + ISO 27001:2022 dual-certified quality & security
- SBA Mentor-Protégé approved program
- Three active joint ventures — expanding capacity & set-asides
- Seven active contract vehicles — GWAC, IDIQ, MAS, and BPA
- NYS SDVOB certified (Control #269033)

CORE COMPETENCIES

Information Technology Systems

- Network & Systems Administration
- Website & Application Design / Development
- Information Security / Assurance
- Cybersecurity — RMF, CMMC, Zero Trust
- SharePoint Development & Administration

Systems Engineering

- Database Engineering & Maintenance
- Enterprise Architecture Design & Maintenance
- System Design and Development

Technical Management

- Program & Project Management
- Configuration Management
- Quality Assurance

Cybersecurity

- Critical infrastructure, application, network & cloud security
- Vulnerability assessment & penetration testing

CERTIFICATIONS

- SBA VetCert-Certified SDVOSB — Small Business Administration
- ISO 9001:2015 — Quality Management System
- ISO 27001:2022 — Cert. SCK/05/VEA/25/01/4021
- DCAA-Approved Accounting — cost-reimbursable ready
- Security-Cleared Facility — DCSA-registered
- NYS SDVOB — Control #269033, certified 3 Aug 2026

SELECT CURRENT & PAST PERFORMANCE

U.S. Air Force

- Cyberspace Training Support — prime, current
- AETC Technical Training Management System (TTMS) — delivered CMMI-DEV Level 3 training content
- Working Dog Management System (WDMS) — current

U.S. Army

- Regional Level Application Software (RLAS)
- Army Reserve Portal Tool (ARPT) — SharePoint platform
- iPERMS databases & website sustainment

Dept. of Veterans Affairs

- Custom software development — current
- Specialized Search Engine, VHA Innovation Program

Dept. of Commerce (NOAA • NIST • BIS • Census)

- Executive staff augmentation & IT security engineering — current
- \$11M+ in obligations across DoC enterprise

NASA • Treasury • Navy • USDA

- NASA — Oracle database administration, Stennis Space Center
- Treasury — Middleware support, Information & Security Services branch
- Navy — Help desk & Security+ training, Great Lakes Naval Station
- USDA — Web-based customer & DBA support for APHIS

JOINT VENTURES & MENTOR-PROTÉGÉ

Veteran Information Technologies LLC (VIT)

VET Managing Member • SDVOSB JV • NASA SEWP V

JV with IMPRES Technology Solutions. \$476.5M+ in obligations since 2015. Rated “Excellent” in all five NASA SEWP performance categories.

Veteran Information Technology Solutions LLC (VITS)

VET Managing Member • NASA SEWP VI Category A

JV with IMPRES Technology Solutions. Contract #80TECH26D0400 (NTE \$20B), signed 25 June 2026. Continues the work of VIT under SEWP VI.

BiC-1 — Best in Class

VET Primary SDVOSB Partner • NASA SEWP VI Categories A & C

Awarded 22 June 2026; contract numbers forthcoming. Specializes in Data Center Management, Cloud Solutions, Cybersecurity, and Systems Integration.

SBA Mentor-Protégé Program

VET serves as SBA-approved mentor to Innovative Solutions Inc. (CAGE 7Z6W0), providing technical guidance, BD support, and federal contracting expertise.
